TRIBUTE

BHARATHAKESARI SHRI MANNATHU PADMANABHAN

Mannathu Padhmanabhan (1878-1970) was a great social reformer who hailed from the state of Kerala was born on 2nd January 1878. Eswaran Namboodiri of Nilavana Illam was his father. His mother, Parvathy Amma came from a poor but respectable Nair family near Changanacherry in North Travancore.

Shri Padhmanabhan started as a teacher, in 1893, with a salary of Rupees five per month in a Government Primary School. In 1905, he started practising law in the Magistrates Court and soon became a leading member of the Bar. In 1915, he gave up a lucrative practice and became full time secretary of the Nair Service Society that has been started at his initiative in 1914. He established, expanded and enriched the society as its secretary for 31 years and as president for three years.

In 1924, he took part in the Vaikom and Guruvayoor temple entry and untouchability agitation. He became a member of the Indian National Congress in 1947 and took part in the Travancore State Congress agitation against Sir C. P. Ramaswamy Iyer's administration in Travancore.

In 1949, Padmanabhan became a member of the Travancore legislative Assembly. In 1959, he had a united Opposition against the State Communist Ministry which had become unpopular. This ultimately resulted in inviting president's rule in Kerela.

During all three years the Nair Service Society had his constant attention and selfless service. It had now grown into a powerful organization with a vast membership, substantial finances and various welfare activities. Besides looking after this work, padmanabhan wrote many articles, an autobiography and a travel book. **Our Trip to the Federated Malay States**, some criticisms and a novel, **Snehalata**. His style was virile, forthright and very effective. He also set up colleges, schools hospitals and industrial units. In appreciation of his valuable services the president of India awarded him the title " Bharatha kesari".

THE CAREER & EDUCATION PLANNING PROCESS

WHY CAREER PLANNING IS NECESSARY?

In today's world of rapid change, transformation and progress, new career paths are constantly unfolding, traditional ones are being changed and shifts are taking place in occupation skills and educational requirements. These changes are a result of new technology, modifications in organizational design and the trend towards global business operations. With all these changes, you might ask "What is the point of planning ahead by developing a career plan?" It is important to be ready for change with a set of career goals, strategies and options based on your interests, personality, values and skills. Once you have a plan, you will be equipped to manage your career and take advantage of changes in the economy and job market rather than becoming a victim of change.

WHO IS RESPONSIBLE FOR PLANNING AND MANAGING YOUR CAREER?

Planning your career is totally your responsibility. It is up to you to do the planning and take the necessary actions to obtain the education and training that will support your career plans. However, you can get help. For example, your advisor or career counselor can advise you about:

- ☑ your career planning strategy
- ☑ how to find information you need
- ☑ how to get around obstacles
- ☑ how to go about planning your current and long-term education and training

Keep in mind, throughout your life, you are the one who must make all the decisions about your career and produce the results that support your goals. It's up to you to control and navigate your own destiny.

THE IMPORTANCE OF SELF ASSESSMENT

Understanding yourself is a critical aspect of career and educational exploration and planning. The more you know about your career-related interests, values, skills, personality type and preferences, the better equipped you will be to identify the career fields, major areas of study and training programs, and education pathways that are compatible with your personal attributes. The FOCUS 2 system will help you develop an accurate self-assessment of your personal qualities:

☐ **Your Work Interests** are a reflection of the kinds of work-related activities and tasks you most enjoy doing.

☐ **Your Personality Type** is a description of how you react to certain situations and people and how you make decisions, organize information and solve problems.

☐ **Your Values** are a description of what is most important to you in life. For example, you might value earning a lot of money, helping other people, being creative and artistic, having a secure and steady job, etc.

☐ **Your Skills** are a reflection of your talents and the activities you easily learn and perform well.

☐ **Your Leisure Time Interests** are a reflection of the kinds of leisure-related activities you most enjoy doing.

Finally, you must ask yourself whether the occupational goals and educational avenues you are considering will be supportive of your life plan.

ROLES YOU PLAY IN YOUR LIFE

Being a worker will be interconnected with other roles you play in life. Examples of roles that are affected by your career could include being a parent, a community citizen, a student, a recreationist. Your career reaches beyond being a wage earner in your chosen occupation. For example, consider the following scenario: If you were a wage earner, parent, and student then clearly your income must be sufficient to pay for the expenses incurred in these other roles.

Most people are primarily involved with two or three roles at a time. Which roles you are focusing on depends upon your age and life stage. For example, in college, your principle roles may be as student and recreationist. Later in life your principle roles may be as worker and parent. The point is that throughout your life you will play a combination of work, leisure, study, homemaking and citizen roles that are intermixed. Therefore when you make decisions about your career, you should take into consideration the effect of these career decisions on the other areas of your life.

SUMMING IT ALL UP

Here is how to take the 'Big Picture' into consideration when making career and education plans:

First, when choosing an occupation, think about which of your options will most likely provide you with self-fulfillment in all your roles, not only in the present, but in the future.

Second, periodically re-examine your career plans, take stock of yourself and what's happening in your life, and then make adjustments in your career as needed. For example, changes in your career field may require that you learn new skills, or changes in your personal interests, values, social or family situations may affect your career aspirations.

BENEFITS OF HAVING A CAREER PLAN

Once you have established your career goals you will be better able to make choices about your college major and minor areas of study and the courses you should take. Your career goals will also enable you to make decisions about personal developmental activities while in college such as internships, volunteer work and summer jobs. Research has shown that there are many significant advantages and benefits of having career plans. College students with career plans:

☑ Are less likely to make costly changes in their college education plans and are more likely to graduate on time.

☑ Are more confident and satisfied with their choice of an occupation and major area of study.

Achieve higher college grades because their decisions about their educational path are compatible with and based on their personal interests, values and abilities.

☑ Earn higher incomes in their entry jobs

While in college, it's a good idea to map out an action plan that leads you to your goals. The plan can serve as a reference that you and your advisers can monitor and adjust as needed.

दोस्ती

दोस्ती भी अजीब होती है
दोस्ती में हर खुशी नसीब होती है।
दोस्ती सब रिश्तों से ज्यादा होती है।
फिर भी दिल के करीब होती है।
जिन्दगी में दोस्त का होना बहुत जरूरी है।

दोस्ती जो निभाये वो फरिश्ता होता है।
दोस्ती की हर रीत को निभाना दोस्ती है।
दोस्ती में कभी धोखा न देना, ए दोस्त!
दोस्ती ही खुदा की परछाई होती है।

बीतता समय

बहते झरनों में क्या ढूँढते मुझे
मैं तो नदियों में, समुद्रों की लहरों में.....
किताबों के पन्नों में क्या ढूँढते मुझे
मैं दिल के पन्नों पर लिखता अफसाने...
बरसात की बूंदों में क्या ढूँढते मुझे
मैं तो ओस की बूंदों सा पेड़ों के
पत्तों से फिसलता

चाहकर भी मुझे दोबारा ना पा सकोगे
जब तुम्हें समझ आयेगा मैं हूँ बीतता समय
मैं हूँ बीतता समय !

तो बात बनती

1. सुख में तो सभी खुश होकर मिलते
दुख में भी वैसे ही खुशी से सहारा देते
तो बात बनती
- 2 ख्यालों में तो हर कोई आता
हकीकत में आता, बात तो बनती
खुशी में तो सब खुश हो जाते
दुख को भी खुशी से सहते
तो बात बनती।
- 3 फूलों पर चलना तो आसान है
कांटों पर चलते बात तो बनती
चेहरे तो सभी पढ़ लेते हैं
कोई दिल पढ़ पाता तो बात बनती
अपनों को सभी अपनाते है
कोई परायों को अपना बनाता

माँ

- 'माँ' कहने को शब्द छोटा सा है।
'माँ' के बिना जिन्दगी अधूरी है।
'माँ' अपने बच्चों के लिए
हर गम सहन कर जाती है
'माँ' के कदमों में स्वर्ग है।
'माँ' की आज्ञा का पालन ना करना
सबसे बड़ा अपराध है।
'माँ' दुनिया की सबसे बड़ी हस्ती है।
'माँ' के आशीर्वाद से बढ़ कर कुछ भी नहीं
'माँ' से बढ़कर कोई नहीं।
'माँ' दुनिया का सबसे बड़ा गुरु है।
'माँ' भगवान की ओर से,
बच्चों के लिए मूल्यवान उपहार है।
'माँ' का दिल कभी ना दुखायें
'माँ' की आज्ञा मानना कर्तव्य बच्चों का
'माँ' का दिल सबसे कोमल और सच्चा होता है।
'माँ' कभी किसी का बुरा नहीं चाहती
'माँ' के आशीर्वाद का असर हमेशा दिखाई देता है
ऐसी 'माँ' जिन्दगी में सबको मिलती है।

A HOPEFUL RAY

I have a hopeful ray
A beautiful night and a lovely day
That is why I say
Come on everyone
Wake up and make your way

Let the people follow you.
The young, the old.
The hatred and sin vanish.
To make everyone happy and gay.

Laugh and the world laughs along.
Cry and you cry alone.
Abide by this famous quote.
And learn it by rote.

Do not be a loser.
When you can be a winner.
Till you be a victor.
Try and try again.

Always keep your outlook positive.
And do not ever think in the negative.
That is why I say.
Come on everyone.
Wake up and make your way.

KEY OF SUCCESS

When ever are disappointed,
Never be sad,
Believe in God, because
He never wants you bad
He only wants to know.
Your capacity to work hard,
No one will return empty
From the door of that kindest lord.
You must believe in God,
And do your work hard,
And for that God will give,
You success as an award.

Mountain Story- An interesting short story

"A Son and his father were walking on the mountains. suddenly, his son falls, hurts himself and screams:"AAAHHHHH!!!"
To his Surprise, he hears the voice repeating, Somewhere in the mountain.
"AAAHHHHHHH!!!"
Curious, he yells:"Who are you?"
He receives the answer:"Who are you?"
And then he screams to the mountain:" I admire you!"
The Voice answers" I admire you!"
Angered at the response, he screams;" Coward!"
He recieves the answer:"Coward!"
He looks to his father and asks:"What's going on?"
The father smiles and says:"You are a champion!"
The boy is surprised, but does not understand.
Then the father explains:"People call this ECHO, but really this is life.
It gives you back everything you say or do.
Our life is simply a reflection of our actions.
If you want more love in the world, create more love in your heart.
If you want more Competence in your team, improve your competence.
This relationship applies to everything, in all aspects of life; Life will give you back everything, in all aspects of life; Life will give you back everything you have given to it."
Your life is not a coincidence. It's a reflection of you!

Today when our Prime Minister has already given a call for 'Make in India' it becomes our moral duty to be a part of this movement. India is quickly coming up on the production map of the world. Many productions have already been made native to our country. Many units whether big or small are being revived so that India has not to look for foreign countries for finished goods.

It is an initiative of the Government of India to encourage multi national as well as domestic companies to manufacture their products in India. It also aims to reduce unemployment in youths, by focussing on job creation and skill enhancement in 25 sectors of the economy. 'Zero Defect Zero Effect' is a slogan coined by the Prime Minister of India which signifies production mechanism and aims to prevent rejection of products developed from India by the global market. A dedicated cell is committed to answer all the queries from business entities any time and an online portal makeinindia.com for the easy and effective communication of investors has been created. After implementation of the programme in 2015, India would be the top destination globally for foreign Direct Investment.

A good start has been given to this scheme by ensuring that demand and supply works in such a way that in both scenarios, investment stays in India and inflow of foreign currency increases in India. Let us make it a grand success by assuring that Tomorrow when we purchase a cotton trouser in a shop in America with a good dollar amount tag on it, the Logo on it should read- "MADE IN INDIA".
