

Dear Students, Parents & Well-wishers.

Welcome to our Knowledge abode!

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives. at BNS College we live by same thought to teach, groom and refine academic and professional qualities with holistic approach for overall development of our students in a most stimulating intellectually and Culturally conducive environment.

We offer various programs in Commerce , Computers and Education at UG/PG level to Foster the skills and upgrade with requisite knowledge to boost career competence and development .

Academic excellence has been the key word of the college since it's inception and our college credentials are we ll known to one and all. With sound infrastructure and committed manpower to our strength, Students we ll are and support has always been our core objective with emphasis on inculcating empathy towards underprivileged, environment protection and sensitizing young minds towards pmactive citizenship.

We look forward to welcoming you to memorable experience at our institution.

Best Wishes!

SHRI B.MADHU PILLAI
President

If a man empties his purse in to his head, no man can take it away from him. An investment in knowledge always pays the best interest.

Best Wishes!

Shri P. Gopalakrishna Kurup

Vice President (School)

Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism.

Best Wishes!

SHRI RAJENDRAN NAIR
Vice President (College)

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives.

Best Wishes!

SHRI JANEESH PILLAI
General Secretary

As Swami Vivekananda says: **“Education is the man infestation of the Perceptual ready present in man ”** so education is something which is there within us it’s just how much we strive for it and how much we desire to learn something new...Learning is something, which is not bound by time, place or age.

Best Wishes!

SHRI ANIL KUMAR G.
(Treasurer College & Samajam)

The aim of education should be to teach us rather how to think, than what to think — rather to improve our minds, so as to enable us to think for ourselves, than to load the memory with thoughts of other men.

Best Wishes!

SHRI J. SREEKANTAN NAIR
Secretary Education
